LEADERSHIP SUMMIT 2024

An exclusive event designed to foster collaboration, innovation, and leadership excellence. This summit brings together thought leaders, industry experts, corporate professionals, academicians and bright scholars to exchange ideas, share insights, and explore new strategies for driving organisational success in today's fast-evolving business landscape. This event aims to build strategic partnerships with industry leaders, exchange insights, and explore new opportunities for collaboration and growth with visionary research scholars and faculties. The talent pools of IIT Guwahati are expected to gain industry insights, develop leadership skills and access career opportunities, fostering growth as future business leaders.
